Approved

All changes apply.

Approved in Part

Specify below which changes do not apply.

Denied

State the reasons for denial below.

**Comments:** Reason to deny entry of the CoC, applicant's request stated that "Because the listed errors first occurred in the printed patent, and thus were not due to applicant's mistake, no fee is required in connection with the request".

However, a careful review of the 02/23/07 Specification amendment reveals that the title in question was replaced by applicant's request in response to an office action. As such, the printing of said title is not in error and do not constitute an office mistake. Thus, applicant should submit a correct statement and the required fee.
